

Dear CEO Name or CEO Title:

Our records indicate that we have not received your company's **2021 Report of Organization**, which was due March 10, 2022. This survey is **REQUIRED BY LAW** and warrants your immediate attention.

This survey is used to update the Census Bureau's list of businesses and provides key source data for the County Business Patterns program and other statistical series. Companies, business analysts, and trade associations use this information in planning investments, production, and marketing. We depend on your support to ensure timely and accurate data. Please take a moment to encourage prompt completion of the 2021 Report of Organization. The information required for your company to report was sent to Company Contact Name.

Title 13, United States Code (U.S.C.), Sections 131 and 182, authorizes this collection. Sections 224 and 225 require your response. Section 9 requires that we keep your answers **STRICTLY CONFIDENTIAL**. Although Title 13 (Section 224) and the Sentencing Reform Act of 1984 (18, U.S.C. 3559 and 3571) allow for possible prosecution of responsible officials and penalties up to \$5,000 (and still require response), **the U.S. Census Bureau prefers to work cooperatively with businesses like yours to ensure we gather and distribute reliable statistics about the U.S. economy**. We ask for your help in meeting that goal, recognizing that we are relying on your valuable time and effort to comply with this request.

We assigned an Account Manager to assist your company in reporting. The Account Manager has attempted to contact your company several times. For assistance with meeting the mandatory filing requirement, you may contact your Account Manager at the number shown below.
